Hi, Jim and the Executive Director of the Oregon Chamber of Commerce,

Thanks for agreeing to help create a Community Needs Assessment for Workforce Training and Continuing Education.

I'm waiting to hear from John Thompson, President of the Dixon Chamber of Commerce. I have a call in to Kelly Christie, at the City of DeKalb. Between us we should be able to develop a good working group to get us going. I've opened a discussion page at <http://drm-resources.wikispaces.com/message/list/Community-Needs-Surveys> to start our thinking. You'll need to sign-in to post on the page. (I don't share the e-mails.) By doing some collaborative writing on Wiki spaces, we can come up with a series of surveys which should give us some real insight into the needs of our communities.

(Update-page change <http://drm-resources.wikispaces.com/message/list/Community-Needs-Assessment>)

I look forward to speaking with you soon.

Joel Montgomery
